# **CENTER FOR THE FUTURE OF THE OCEANS**

## **HERITAGE HARBOR**

**99 Pacific Street, Suite 100A**

**Monterey, CA 93940**

**(831) 647-6833**

1. From Highway 1 South, take the exit marked:  
Del Monte Avenue Exit toward Pacific Grove  
(Do not be confused by the exit in Marina (just south of Castroville) which is also marked Del Monte. These two parts of Del Monte do not connect)
2. Merge onto Del Monte Avenue travel for about 1.9 miles. Stay in the left lane and continue straight ahead. There's a tricky spot near Fisherman's Wharf where the street veers right, becomes Lighthouse Avenue and dips down into a tunnel. You do not want to go that way.
3. Proceed through several more stoplights, past the Monterey Conference Center and up a small hill to Pacific Avenue. Turn right onto Pacific Avenue.
4. At the first stoplight turn left onto Scott Street. You will see a blue and white sign at this intersection on the corner saying "Heritage Harbor Parking"
5. Enter the parking structure on your right through the second driveway. Press the button and take a ticket. Park anywhere you like, preferably one floor down near the signs pointing to the bridge.
6. Take the walking bridge over Pacific Avenue. On the other side you'll see a directory to your left that can help you locate building 100A. Alternatively, continue walking straight ahead until you reach the fountain. From the fountain turn left (north) and continue all the way to the end of the walkway.
7. Our office is located in the last building on your left – if you reach the recreation trail or the harbor you have gone too far.
8. Enter through "BAY SIDE DOORS" to access the conference room (around the corner from front door on back patio overlooking the water).

Please call the phone number above if you have any questions or problems with these directions.
